

Shire of Victoria Plains Community News September 2016

Some of the beautiful wildflowers around the Shire of Victoria Plains

NEWS FROM THE CHAMBERS

End of an Era for Victoria Plains

This September the Shire of Victoria Plains will farewell Chief Executive Officer, Harry Hawkins. It was way back in 2002 when Harry relocated from the Shire of Ashburton in order to be closer to his family in Perth. Initially appointed as Deputy CEO/ Manager of Finance and Administration, two years later Harry was promoted to the CEO position following the retirement of Phil Anning. The staff and community are sure to miss Harry's relaxed, easily approachable nature. Harry is a rare find at the top of local government, regularly availing himself to talk to a resident who walks into the Shire Office without an appointment, or taking a phone call at the spur of the moment from a community member.

Coming from an accounting and finance background prior to commencing his career in Local Government, Harry's most notable success at Victoria Plains was turning around the Shire's poor financial standing with near to zero reserves to a now solid position with \$1M in the reserves. He lists his other achievements; however it appears he is being modest.

- Upgrading the Shire plant to a modern, well maintained and more efficient fleet.
- Lobbying and working with Main Roads Wheatbelt North to obtain funding to finalise the Aglime Route 2 through the Shire of Victoria Plains.
- Successfully managing the joint CEO roles of Victoria Plains and Chittering for a period of 12 months.
- Working with the Bolgart Community and the Cemetery and Crematorium Association to design and establish the Bolgart Cemetery.
- Working with the Calingiri Progress Association to upgrade the Calingiri Caravan Park.
- Working with the Calingiri Football Club to secure funding and upgrade the playing fields and pavilion at the Calingiri Sportsgrounds.
- Expanding the Shire workforce to better serve the needs of the community. Under Harry's direction the Shire have employed a Building Maintenance Officer, Community Development Officer and Gardener.

Local Calingiri residents Dave and Val Keys remember how Harry, together with his wife Dawn, went above and beyond the typical CEO duties with the group spending several weekends travelling to each property in the Shire and installing the rural number system. Dave laughs as he recalls the time Harry drove one of the star pickets into an ant nest and the group fled as the angry ants emerged. They abandoned that picket and installed the number elsewhere, but Dave notes that that picket still remains in the ground to this day.

Harry will be again be heading north, to take up the CEO position at the Shire of Sandstone, where he hopes to see out the remainder of his career before returning to his Bindoon property for retirement. Unfortunately for the Bindoon Bowling Club they are also temporarily losing their Club President, as well as an experienced pennant player.

As Harry departs he encourages all residents not to be complacent about Council happenings. "Despite us all leading busy lives it is worthwhile finding the time to pay some attention to what is happening in Council, as their decisions impact upon all locals and the reputation and future development of Victoria Plains. Take time to vote in Local Government elections, and carefully consider the candidates and whether they have the whole community's best interests at heart."

In leaving he says:

Thank you to the many friends Dawn and I made in the community particularly in the years we lived in Calingiri, I won't try to name them because I will leave someone out. Thank you to the Shire staff I have worked with and managed for their support and great work over the years. There were a few bumps along the road but generally it has been good. Thanks to the 3 Shire Presidents I worked with; Michael Anspach, Geoff Erickson and David Lovelock. We had good relationships and this helped to achieve the things that were accomplished over the years. And finally thanks to those Councillors who showed trust and respect for myself and staff thankfully they were the majority.

NEWS FROM THE CHAMBERS

Local Government Week 2016

8 SOVP Councillors and the CEO attended the 2016 Local Government Week convention which was held at the Perth Convention and Exhibition Centre. All agreed that there were some wonderful speakers and that they learned a lot. As always, with attendance at these events, not all the learning goes on in the conference sessions as networking opportunities with Councillors from other Shires also provides valuable information particularly for new members of Council. Written Councillor reports on the convention are included in the minutes of the August Council meeting which will be posted on the Shire website once confirmed. Final keynote speaker Michael Crossland received a standing ovation for his talk resulting in the Shire purchasing 3 copies of his Autobiography—Children Don't Get Cancer, one for each of the libraries in the Shire. Residents are urged to borrow the book from your local library as it is well worth the read.

Camp Kulin Donation

Councillors were very moved by the story of Camp Kulin presented by camp manager Tanya Dupagne at the Convention. So much so that a motion was put to the August meeting that the Shire donate \$1,050 which equates to sponsoring 3 children at the camp. The donation was broken down into 2 general sponsorships and 1 specifically for a child from Victoria Plains. Unfortunately there is a waiting list of approximately 3 years because the camp is that popular.

National Roads and Transport Congress

Council has approved for the Works Manager and Cr's Kelly and Smith to attend the National Road and Transport Congress in Toowoomba Queensland in November. The congress, run by the Australian Local Government Association is the main Federal road forum and is held in rural locations around Australia each year.

Secondary Road Freight Routes

Council at its August meeting resolved to contribute \$5,000 towards the technical assessment of roads put forward for the secondary road freight routes. The secondary route through Victoria Plains is the Aglime route. Once the freight route is finalised a funding application will be lodged with the Federal Government to upgrade all roads on the route to RAV 7.

New Shire Logo

After the survey results were tallied there was a majority of residents who want the Shire logo changed but many are unsure about the 2 suggested new logos. Council has decided that they will get a price from Market Creations in Geraldton to look at modernising the existing logo rather than going for a complete new look.

Goodbye from the Chief Executive Officer

Council approved a request from CEO Harry Hawkins to leave Victoria Plains on the 2nd September 2016 as he has been appointed to the position of CEO at the Shire of Sandstone. Harry was due to finish on the 31st December 2016.

Risk Management – Public Events

Did you know that **ALL** public events require Shire approval?

This is a requirement under the Health (Public Buildings) Regulations.

A public event is defined as “a gathering of people brought together for a common purpose by some pre-arrangement – and which is **open to the public**”.

The Shire has updated the Public Event Notification Guidelines and Forms, including risk assessment. You can download these from the Shire website or contact the Community Development Officer, 9628 7004 (Monday – Wednesday) or via email cdo@victoriaplains.wa.gov.au.

NEWS FROM THE CHAMBERS

President David Lovelock and Administration staff farewelling CEO Harry Hawkins

Shire of Victoria Plains

change OF MEETING DATE COUNCIL MEETING – OCTOBER 2016

In accordance with the Local Government Act 1995 Act s. 5.25(1)(g) and Local Government (Administration) Regulations 1996 r. 12(2) it is hereby advised for public information that the meeting scheduled for Wednesday 19 October 2016 will be brought forward a day and will be held on Tuesday 18 October 2016 commencing at 2.00pm. This meeting will be held at the Council Chambers, Calingiri.

H E (Harry) Hawkins

Chief Executive Officer

CALINGIRI & BOLGART REFUSE SITE NEW TIMES

The Bolgart and Calingiri refuse sites opened with their new opening hours recently.

Both of these sites will be manned by Shire employees. Can you please be considerate towards them and follow their instructions as to where to drop off your waste.

You will be asked for your name and address, and will be only allowed to take one 6 x 4 trailer load **or its equivalent** per day, Charges will be applied if you go over this limit.

All non residents will be charged at the going rates as per Council's fees and charges.

Opening times are:

**Calingiri: Wednesday; 9:00 am to 11:30
Saturday; 12:30 pm to 4:00 pm
Sunday; 9:00 am to 3:00 pm**

**Bolgart: Wednesday; 12:30 pm to 4:00pm
Saturday; 9:00am to 11:30 am**

These times are a trial and may be changed at the discretion of the CEO.

Robocup Champions

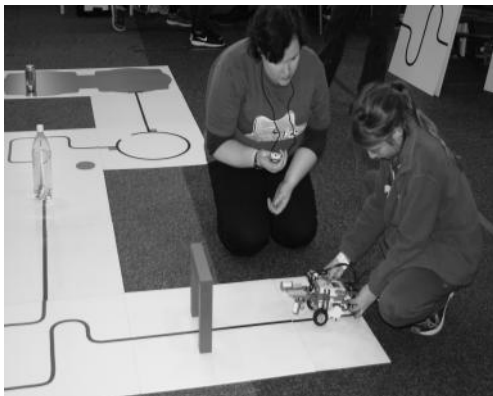

Students from the small wheatbelt town of Calingiri recently competed in the Robocup Primary Rescue event hosted by Scitech at Curtin University and were the only government primary school represented in the finals. Cameron Loton (Yr 6), Louis Mead (Yr 3) and Rhyen Henry (Yr 3) were placed 7th after the first day of the competition, earning them one of the 8 places in the finals.

With a whole school population of only 30 students, Calingiri Primary School entered four teams in the competition which was open to students from across Western Australia. Robotics has been a regular part of the student's learning since the school purchase six NXT Lego Mindstorm robots in 2013.

Robotics teacher, Mrs Suzanne Woods said, "The students have mastered complex engineering and programming through their weekly robotics sessions. They thoroughly enjoy working with the robots and their understanding of coding and digital technology is remarkable. One of the many strengths of the running the course in a small school has been the peer tutoring which occurs due to the age range in the Year 3-6 class of 15 students."

Year 6 student, Charlize Kelly, commented that the competition was "brilliant because it gave us an idea about all the different techniques and ways to program and build."

The class has already commenced planning their competition entries for next year.

Charlize Kelly (above left) and Hannah Henry (above right) with competition judges as their robots complete the course.

CAUTION: CYCLISTS ON ROADS - 1st & 2nd October

CRT (Chain Reaction Training) Cycling Club will be in the Shire the weekend of 1st & 2nd October.

Groups of riders will be starting and finishing in Waddington, travelling around the bitumen roads within the Shire on the Saturday and Sunday.

"Please be aware and courteous to all users of the road."

For further information please contact Jane Graham 0428 545 070

A husband and wife were driving through Louisiana. As they approached Natchitoches, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?" She leaned over the counter and said, "Burr-gerrr Kiiing."

As mentioned in 'From the Chambers', SOVP residents and businesses are invited to consider contributing to this very worthy cause which could potentially benefit at risk children in our Shire. Take the time to visit Camp Kulins' website <http://campkulin.com.au/> and see the good works that have been done by this award winning organisation. Following is a brief outline of Camp Kulin.

Established in 2013 and located in the WA Wheatbelt, approximately 283km south east of Perth, Camp Kulin is quickly gaining national and international recognition for its innovative program, the first of its kind we are aware of for a local government in Australia.

We currently work with over 1500 WA young people each year, who travel up to 17 hours each way to attend the program. Our volunteer team, consisting of over 150 volunteers from across the country aged 16-74 years of age donate over \$500,000 of their time each year.

The Camp Kulin program list includes activities for children living in the Wheatbelt, general camps open to any child in WA, scholarship camps for children affected by childhood trauma, corporate programming, school excursions and school camps. While at camp, campers and camp counsellors learn essential life skills, such as leadership, respect, trust, self confidence, perseverance, persistence, respect, anger management and communication skills.

Our programs are highly sought after, and cater to children of all ages, adults, schools, corporate groups, sporting clubs, community groups and more. Over 400 children are currently on the waitlist to attend our scholarship camps, with some families waiting 1-3 years due to demand.

Parents, teachers and case workers have reported increased self esteem, self confidence and respect, better behaviour and increased school marks in children who have attended Camp Kulin.

Seniors Week Lunch 2016

This year the Shire of Victoria Plains will once again be hosting the "Thank you to our Seniors Lunch".

The lunch will be held on the **9th November at the Bolgart Hotel**. Further details including information on purchasing tickets and the bus pick up service will be available in the next newsletter.

Prior to the lunch there will be an information session, including a Q & A on succession planning, i.e. wills, estate plans, power of attorney etc. In order for the solicitor to prepare to best meet our needs, if you have any specific questions or aspects of succession planning you would like covered please contact Jaime at the Shire (Monday – Wednesday),

9628 7004 or email cdo@victoriaplains.wa.gov.au.

Funds for community gardens available

Member for Moore Shane Love MLA is encouraging communities to consider establishing a community garden.

"Funding for community gardens had been extended to 2019-20, which provides \$100,000 per year for the establishment and maintenance of community gardens," Mr Love said.

"Community gardens provide a vital hub for the local community.

"They are not just for the green-fingered. They provide people of all generations an area to come together, share a cuppa and a love of the great Western Australian outdoors."

Mr Love said community gardens enabled people to learn about gardening, built a greater understanding and a sense of community between neighbours, parents, young people and people from different backgrounds.

Since the introduction of the grants program by the State Government in 2013, 37 projects totalling \$464,853 have been funded across Western Australia.

"I am pleased that the State Government has made a further commitment to this program and I encourage all community gardens in Moore to apply for funding," Mr Love said.

Applications for the latest round of funding close on 20 October 2016. For more information, visit <http://www.dlqc.wa.gov.au>

Muresk is turning 90!

Help us celebrate the many accomplishments made by Muresk and its students, staff and graduates over the past 90 years. Please join with the Muresk Old Collegians' Association (MOCA) to celebrate this significant milestone in the history of agricultural education in Australia.

Muresk 90th Anniversary

10 am to 3 pm on Sunday 30th October

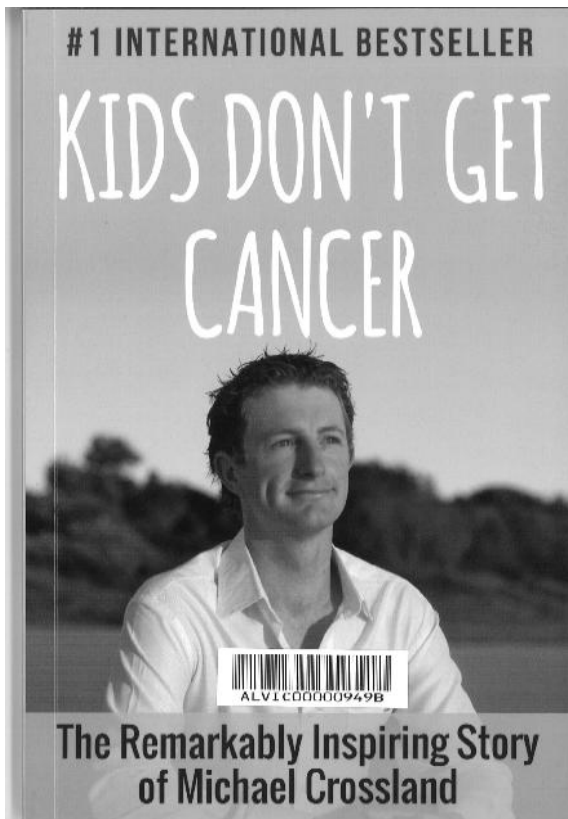

Muresk Campus, Muresk Road, Northam

Muresk alumni and their family and friends are invited 'back to Muresk' to help celebrate and reminisce the many achievements made by Muresk over the past 90 years. Not the least of them being the great sense of community spirit and mateship that has been shared across generations of Mureskians!

All Muresk alumni are requested to update their contact details for the MOCA database at: <http://www.iagribusiness.com/page/MureskUpdate> or for those without internet access, please phone Deb on 0419 911 980 or Trish on 0427 330 103. This will ensure you're sent an invitation to the 90th Anniversary and kept up to date with future MOCA activities, reunions and events.

Please register to attend the Muresk 90th Anniversary celebrations via the Eventbrite site. Just search for 'Muresk' or, for those without internet access, please phone 0427 330 103.

The book “Kids Don’t Get Cancer” by Michael Crossland .

This very “Inspiring story “ has been purchased by the Shire of Victoria Plains . There is one copy in each of the Libraries for Members to borrow.

Michael was a guest speaker at Local Government week in Perth where our Councillors were privileged to listen to his story.

YERECOIN WA 6571

Dear Yerecoin Primary School,

We are writing to say thank you for your generous donation of Christmas gifts for our 2015 students after the bushfire in November. Your thoughtful donation brought joy to our students.

Our school grounds have changed a lot since the fires. With the assistance of our gardeners, the Esperance Shire and Blaze Aid, we now have green lawns and blossoming gardens. With autumn upon us, rain has come through and we are seeing lots of green shoots on our surviving trees.

Our school and community thank you for your kind generosity.

Yours sincerely,

CALINGIRI BINGO GROUP

As most people in town are aware, each Wednesday morning – eyes down at 10.30am – a small group of us play bingo. We bring along a plate of food for a shared lunch, and have lots of laughs, chats, and a lovely time. We are always looking for new faces to join us.

Maybe a few don't realise but, we not only play for fun, but fifty cents from each game played, is donated to our local St John Ambulance.

I asked our hard working Tracey Glass, secretary of the Calingiri St John Ambulance, if she was able to give us an indication of how much this small group had donated. Ever obliging, she went back to 2011 and we have donated \$2000. ***AWESOME!!***

The bingo group has been going for many more years, so that figure would probably be at least three times more !!

So folks, if you would like to join us, please feel free to come along to the Calingiri Recreation Hall on a Wednesday morning – as I said, eyes down 10.30am.

Please remember, we don't play for "sheep stations", but we have a lot of fun and money raised goes to a great cause.

Who knows – heaven forbid – but we don't know if or when we may have to rely on our great ambulance people.

Cheers.

Barbara Kelly (0429900667)

Goomalling & Districts **Community Bank**[®] does it again

The Goomalling & Districts **Community Bank**[®] Branch has capped off a very successful financial year with yet another award at the Bendigo Bank State Gala Dinner last week.

Awarded for the most residential Loansure Policies sold during the 2015-16 financial year, the win comes on the back of an impressive year of awards for the branch, including:

- Three time winner of the regional branch of the month
State branch of the month in January 2016
Fourth place nationally in the retail network June 2016
State finalist in the Community Choice Awards

Branch Manager Jenni Barlow praised her dedicated and professional team for their outstanding efforts throughout the year and the strong support from the community.

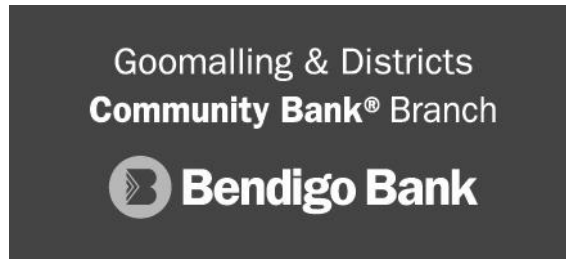

“Our branch is a true community venture, which offers a full range of banking products and services in a business model designed to strengthen the local community, Jenni said.

“The more the people bank with us, the more profits we can return to the community through sponsorships and grants.

“Since opening in 1999 we have already been able to hand out \$400,000 to support local initiatives.

“With plenty more hard work, and the support of the community, I believe the success of Goomalling & Districts **Community Bank**[®] Branch can only grow.”

To find out more about our full range of products and services, call in and see Jenni and team at 35 Railway Terrace or phone 9629 1999.

Price of cigarettes increased on 1st September

On 1st September, the recommended retail price of cigarettes increased by 12.5%, and as a result a packet of cigarettes will now cost up to \$30. For a pack-a-day smoker over one month, that is \$840.

“Quitting smoking today will instantly improve you and your family’s health and will also save you plenty of money. There isn’t a better time to quit than right now”, said Marissa Yeo.

If you live in the Wheatbelt you can get FREE local support through the Wheatbelt Quit Smoking Program. Your local Health Promotion Officer is trained to deliver this program which uses proven strategies and advice to increase your chance of quitting. The program provides individual advice on suitable nicotine replacement therapies plus tips for reducing withdrawal symptoms.

Call 9652 0200 to find out how Marissa can support you to give up smoking for good.

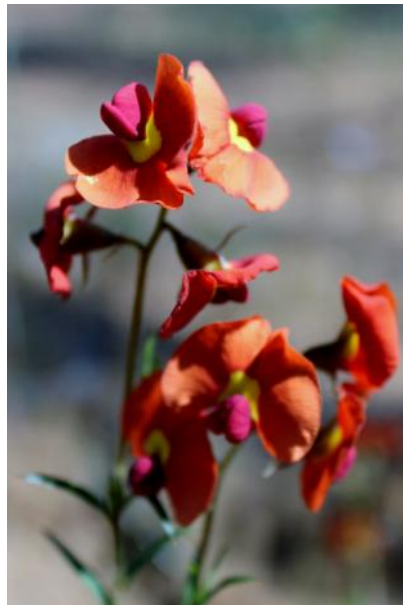

Thank You

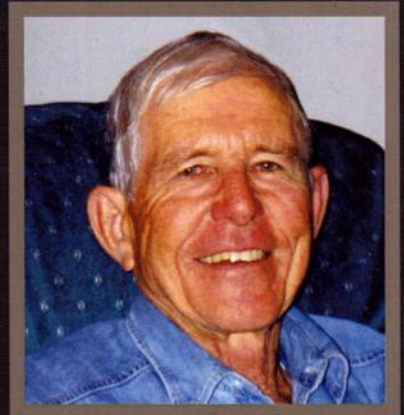

Manning R S (Rob)

Our sincere Thanks to friends and family for their beautiful cards notices in the paper ,telephone calls and attendance at Rob's funeral. We are very grateful for all the support we have received and for the memories shared. Please accept this as a personal expression of our appreciation.
