VARLEY, Janine

Victoria Plains has been my home for a long-time and I remember the days when our community was united. When did we lose out spirit? Let's bring it back!

What I bring to the Council table:

Experience in business administration;

Skills in financial management;

Supporter of local business; and

Community focused

Being a Councillor means more to me than being a cursory observer. I want to be a proactive part of the process to the benefit of the community. I am ready, willing and able to commit my time and energy into learning the Councillor role and functions of a local government elected body. Furthermore, I will work alongside my constituents to ensure that they receive timely and accurate information and support to navigate through Local Government processes and procedures.
