Nominating for	Councillor for West Ward
Election Type	Ordinary

LOVELOCK, David

David Lovelock elected to Council 2004. I have had the honour to be elected your Shire President for 6 years, and as your Deputy President on two occasions for a total of 6 years.

I nominate for Election another time and offer my experience and local understanding to serve again as part of your Council Team. I believe I have a good appreciation of the needs of our community and undertake to hear your wants and visions for the future, and to take notice of these to ensure the sustainability of our Special Victoria Plains Shire.

Kathy and I have farmed Canterbury since 1969, and our children and grandchildren did primary School in Shire located Schools. We have sold our farm but retain land in the Shire so will be actively involved in Local Affairs.
