

Hello, Malcolm Palmer here. I am standing for the Central Ward vacancy.

I'm 59, have lived at 4876 Bindi-Bindi Toodyay Road, Wyening with wife Christine and two adult children for five years.

Although still involved in the family business, semi-retirement still allows me to devote my spare time to council matters.

If elected I will give ratepayers a voice in council decisions.

I will work diligently to further the best interests of the local community, improve roads and open and accountable financial management relating to council expenditure.

I have extensive experience on local committees, been involved in community work for many years, including initiating Bolgart Community Shed. I have a genuine desire to help our community, focussing on improved services for mental health, senior citizens and community wellbeing in the VP Shire.

If you appreciate honesty and accountability, please support me with your vote.
