4 PUBLIC QUESTION TIME

Cr Lovelock invited Mr Field to present his questions.

Mr Field

For approximately 14 years the Yerecoin South East Road has been in a serious state of disrepair. The road has been deteriorating for a long period. What is the long term plan for road works if works are scheduled at all?

Works and Services Manager

Traffic counters were placed on Yerecoin South East road last year. I am proposing to access Regional Road Group funding within 2 years to complete road works needed. Road is in need of major works and not just minor works for improvement.

Mr Field

Spoke regarding the road shoulders and edges of shire roads in comparison to other shires. Why are roads in Victoria Plains so far behind other shires?

Works and Services Manager

Funding and priorities are the main reasons. Repair and maintenance on current roads is the Council's main focus, rather than construction. Without substantial funding we are unable to carry out repairs.

Mr Field

I understand there were Visitors to the October meeting of Council regarding the Tier 2 rail line. Are there any updates available? The shires of Victoria Plains and Moora grain growers are the main users of that line. Council needs to be proactive with all the authorities involved in the decisions being made by those authorities. If grain becomes dependent on road transport, it will have a great effect on both shires.

President

Advised Mr Field of the discussions that had taken place and future plans. A meeting is scheduled on Wednesday 20th November with Moora, Victoria Plains and CBH. Victoria Plains will continue to follow the issue. CBH have been stalling for many years in relation to the rail crossing at Calingiri. Victoria Plains will push as far as possible. One point that Mr Leon Bradley raised at the October meeting was that Calingiri CBH point was already out loading ³/₄ of the stored grain by road.

Discussion was held by those present regarding CBH, Brookfield Rail and the State Government.

Mr Field

Why is council contract grading areas of the Shire, when Council own two practically new graders. Why contract grade when new plant is on hand?

Works Manager

My aim is for three grades per year over the whole shire. A trial is being conducted under the current contract grading for one area of the shire to have grading done during optimum times.

The Contract is for one year with extension if feasible.

Mr Field

I wish Council well in their venture and reported that roads in the North East corner of the shire have not been graded for upwards of three years, stating that while some roads are not major roads they are still in use.

Works Manager

It is hoped that by contracting out some areas of the shire for grading, all roads in the shire will have access to grading in the near future.

Mr Field

Approximately 7-8 years ago around 45 loads of gravel were sourced from my property in Yerecoin at the request of a shire employee. The value of the gravel has never been paid to my family.

President

Policy requires Council to pay for gravel sourced from landowners. This issue will be attended to. Payment rate is reviewed annually.

Mr Field If another account is sent to the shire will it be paid?

Chief Executive Officer

Was DCEO/Finance Manager at the time and did not recall ever seeing an account or not authorising the payment. If an account was lodged it should have been paid.

Mr Field

Hopes that when a new account is sent to the Shire it will be paid.

Cr Kelly

Wished to clarify to Mr Field that contract grading services were being used to ensure that all areas of the shire are maintained during optimum times

Cr Smith

Are there only two grader operators on council staff? Plant does appear to sit idle.

Works and Services Manager

Two operators are nominated as full time operators. Two other staff are able to operate graders if required. One further staff member is engaged in other duties.

President Does Mr Duggan wish to ask any guestions of Council?

Mr Duggan No, thankyou.

Cr Johnson

Agreed with contract grading to upgrade Western area of the Shire and noted that some roads in East ward (particularly the north east corner) have only had one grade. Some roads are the only access to farming properties and are all gravel

Works and Services Manager Works staff are aiming for three grades in all areas next year.

Cr Young entered the meeting at 2.11pm.

7 CONFIRMATION OF MINUTES

7.1 Confirmation of Minutes

Resolution 206/2013

Moved Cr Penn seconded Cr Rive that the minutes of the Ordinary Meeting held 22nd October 2013 be confirmed as a true and correct record of the proceedings with the inclusion of the wording raised by Cr Lovelock.

The following be inserted after the words "Election of Shire President

• Cr Lovelock took the chair and thanked Councillors for their confidence. He welcomed newly elected Cr Penn (South Ward) and expressed appreciation for the time and effort put in by ex President Cr Erickson in chairing Council for six years and especially for his representation of the Shires interests in the wider local government area";

and

The following be inserted after the words "welcomed all visitors to Council at 3.00pm and invited Hon Jim Chown MLC to speak to Council and public
with regard to issues with the Tier 2 Rail line to Miling. He informed the meeting that the State Government did not accept that the Miling Line would be closed within two years, but stated that the operational parties had not asked for Government contributions or intervention".
Motion Put & Carried 8/0

Cr Penn

Following up on adjustment of Maintenance Grading hours on Fowler Road Bolgart.

Works and Services Manager

Will check through time sheets and readjust the report that was provided with the October minutes.

7.2 Business Arising from Minutes

8 ANNOUNCEMENT BY THE PRESIDING MEMBER WITHOUT DISCUSSION

President

Cr Lovelock spoke regarding that it is his hope that Councillors and Staff could work together for the betterment and harmony of council and to the benefit of shire and believes we can achieve that.

Also spoke regarding meeting procedure and agenda/minute items, particularly Urgent Business and dealing with Late Items.

Any business that can not be put off until the next meeting or needs to be dealt with before the next meeting will be heard and dealt with providing it is in writing.

All other business is to be placed on the next available meeting agenda.

9 PRESIDENT AND COUNCILLORS REPORTS

President

Spoke regarding the Mogumber Outback Club and the Mogumber Progress Association hosting the New Years Eve rodeo. Some communication is still lacking between the two and needs to be addressed.

Cr Penn

- 1. Attended the opening of Bolgart Skate/Recreation Park and questioned why the Chief Executive Officer officiated and not the Shire President. Future openings of these types of projects should be officiated by the Shire President or elected Councillor.
- Attended the Business Builders Launch. Caroline Robinson from Wheatbelt Business Network was very informative. Hopes the group is supported. Caroline Robinson advised Business Builders to look toward networking on a social level rather than traditional meetings to attract membership.

Cr Smith

What was the final cost of Bolgart Park project?

Finance and Administration Manager

Referred to page 40 of the agenda financial reports under Capital Expenditure and advised the total spent is \$55,224 with no known further costs to come.

Works and Services Manager

Funding is exhausted and project is on budget.

Cr Smith

What was the make up of funding?

Finance and Administration Manager

Advised that funding was sourced from LotteryWest, Council, in-kind and Bolgart Primary School.

Cr Young

Enquired if letters of congratulations to organising groups had been sent?

Chief Executive Officer

Advised correspondence had been sent.

Cr Kelly

Advised that Gillingarra Sport and Recreation (Progress) has recently hosted another John Curtin weekend. The event was very successful again and maintenance to community buildings was completed. The school house is currently for rent. All funds go back to the Gillingarra Sport and Recreation (Hall) centre. Only three halls remain in the shire that are maintained by community groups all others are maintained by the shire.

Cr Kelly also enquired if the hot water system been fixed/installed at the Mogumber Hall.

Cr Rive

Responded that it had been installed by him as a tradesman under the direction of Council's licensed plumber.

PURPOSE OF REPORT

That the following statements and reports for the month ended 31st October 2013 be received.

BACKGROUND

Under the Local Government (Financial Management) Regulations 1996 the Council is to prepare financial reports outlining the financial operations at the previous month end date.

Listed below is a compilation of the reports that will meet compliance, these are listed in Sections and the relevant regulations below.

Monthly Financial Statement reports

Section 6.4 of the Local Government Act and Regulation 34.1 of the (Financial Management) Regulations requires a Local Government to prepare each month a statement of financial activity reporting on the sources and application of funds, as set out in the annual budget containing the following details:

- Annual budget estimates;
- Budget estimates to the end of the month to which the statement relates (known at YTD Budget);
- Actual amounts of expenditure, revenue and income to the end of the month to which the statement relates (known as YTD Actuals);
- Material variances between the comparatives of Budget v's Actuals;
- The net current assets (NCA) at the end of the month to which the statement relates.

Regulation 34.2 – Each statement of financial activity must be accompanied by documents containing:-

- An explanation of the composition of the net current assets of the month to which it relates, less committed assets and restricted assets containing the following detail:-
 - > An explanation of each of the material variances;
 - Such other supporting information as is considered relevant by the Local Government.

Regulation 34.3 - The information in a statement of financial activity may be shown:-

- According to nature and type classification
- By program; or
- By business unit

Each financial year a Local Government is to adopt a % value, calculation in accordance with AAS5, to be used in reporting material variances.

(Incorporating Health, Building and Community Services)

There are no items for discussion under the Community Services section of the Minutes for this month.

10.3 TOWN PLANNING

There are no items for discussion under the Community Services section of the Minutes for this month.

10.4 Administration Status Report

Resolution 209/2013 Moved Cr Young seconded Cr Johnson hat the items in the Administration Status Report detailed below be noted. Motion Put & Carried 8/0

Cr Young Is discussion required on the time and meeting format for 2014?

Cr Smith Suggested that consideration be given to later meetings, possibly evenings.

Cr Kelly Would not be happy with late meetings and the distance he has to travel after a night meeting.

Cr Rive Are night meetings an option?

Cr Penn and Cr Kelly agreed that the current format now is suitable and thought should be given to staff travelling and work hours.

Cr Johnson There is merit in later meetings. In favour of retaining the briefing session. Other councils do meet later in the day

Cr Holmes

Can see no real benefit in changes to the current format.

Cr Young

Recalled that afternoon or evening meetings were advertised to encourage attendance and possibly more nominations for election and noted there was no response at all from the public.

President

Suggests that Council retain the current format being Lunch, Councillor Briefing Session followed by the Ordinary Meeting.

Resolution 210/2013

Moved Cr Penn seconded Cr Kelly that the current structure of meetings be maintained

- 1. Lunch at 12 noon,
- 2. Briefing Session at 1pm,
- 3. Ordinary Meeting at 2pm.

Motion Put & Carried 8/0

Item No	Report Details	Administration Action Required	Status
A33	Meeting Dates 2014	Resolved that meeting day commencing January 2014 would be the 3 rd Wednesday of each month.	Time and format to be discussed prior to advertising

A35	Bushfire Advisory Committee Meeting - Minutes	Minutes received	Complete

Resolution 211/2013 Moved Cr Kelly seconded Cr Smith that the meeting adjourn for afternoon tea. Motion Put & Carried 7/1

The meeting adjourned 3.06pm.

The meeting resumed 3.27pm. All present at adjournment were present at resumption with the exception of Cr Holmes, Mr Field and Mr Duggan.

Cr Holmes entered the meeting at 3.28pm

10.4 ADMINISTRATION

A36 Management of Community Projects

FILE REFERENCE: A1.1.7 REPORT DATE: 7th November 2013 APPLICANT/PROPONENT: Cr David Lovelock OFFICER DISCLOSURE OF INTEREST: None PREVIOUS MEETING REFERENCES: 34/2013 February 2013 AUTHOR: Harry Hawkins Chief Executive Officer ATTACHMENTS: None

PURPOSE OF REPORT: To introduce a policy to ensure that the shire maintains control of projects using ratepayer funds.

BACKGROUND: With the receipt of economic stimulus funding and the introduction of Royalties for Regions many community facilities in the shire have been constructed or upgraded in recent years. Some of these community facility projects funded by the shire were managed by community/sporting groups and the shire effectively lost control of the expenditure of shire funds.

COMMENT: In recent years there have been several community projects undertaken with shire funds through the Federal Governments economic stimulus payments or Royalties for Regions funding and as these projects were proposed by community and sporting groups they were often project managed by those bodies with the shire effectively losing control of the expenditure of shire funds. Most of these projects were small and did not have any consequences however questions were raised about expenditure on the upgrade to the Calingiri Sports Ground change rooms and pavilion. There have not been any allegations of illegal or other improper conduct by those community or sporting groups involved only the fact that the shire was perceived to have lost control over the expenditure.

To ensure that this does not happen again it is proposed that a policy is introduced that all Community/Sporting Projects that involve the expenditure of shire funds are project managed by senior shire staff. Community Development Officer Jaime Hawkins has recently completed a Certificate of Project Management and Finance and Administration Manager Ian Graham is currently undertaking studies for a Diploma of Project Management.

As there is no acquittal process for grants to community or sporting bodies this proposed policy will have the secondary benefit of making sure the funding is being utilised for the purpose intended.

The introduction of this proposed policy will not reduce the shire's commitment to undertake community projects in the future.

Resolution 212/2013

Moved Cr Lovelock seconded Cr Young that Council request the CEO to develop and present to Council for adoption a Policy that all Community Association or Sporting Club Projects costing in excess of \$20,000 where the majority of funds are provided by the shire are project managed by senior shire staff.

Motion Put & Carried 7/1

Discussion was held by the President with regard to the development of the policy. There is no move by Council to stifle community ideas, projects or involvement.

Cr Young seconded this recommendation because it is important to use the financial expertise of our administration staff and wishes council and staff to be able to add to community efforts and not take them over. It is important the groups understand that Council and its staff can help facilitate projects to make sure true costs of projects are allowed for.

Cr Holmes

Feels that the \$20,000 noted in the recommendation is too high.

Cr Smith

Will executive staff have the power to deal with oversights and management issues?

Chief Executive Officer

Discussed how issues and details are sometimes missed and previous staff on a particular project did not investigate fully.

Cr Kelly

Enquired on the whole project cost at the Calingiri Sports Pavilion.

Chief Executive Officer

Advised that the whole project was approximately \$800,000.

Finance and Administration Manager

Is currently studying a Project Management Course and is hoping to have available a Process Guideline around projects. Using a simple format to identify costs and funding availability, which will give council the opportunity to stay informed when Council funds are provided to community projects.

FILE REFERENCE: CA3.4.1 REPORT DATE: 11th November 2013 APPLICANT/PROPONENT: Department of Agriculture and Food OFFICER DISCLOSURE OF INTEREST: None PREVIOUS MEETING REFERENCES: None AUTHOR: Harry Hawkins Chief Executive Officer ATTACHMENTS: Letter of Advice

PURPOSE OF REPORT: To allow Council to nominate a representative to the Calingiri – New Norcia Land Conservation District Committee (LCDC).

BACKGROUND: The Department of Agriculture and Food has advised that the appointment of members to the Calingiri – New Norcia LCDC expire on the 30th November 2013. The current shire representative is Councillor John Brennan.

COMMENT:

There is currently provision for the Shire of Victoria Plains to have one representative on the committee and on behalf of the Commissioner of Soil and Land Conservation the Department of Agriculture and Food has asked Council to nominate someone to enable re-appointment of this LCDC.

A38 Gillingarra Public Toilet Roof

FILE REFERENCE: Lot 4079 BINM REPORT DATE: 12th November 2013 APPLICANT/PROPONENT: None OFFICER DISCLOSURE OF INTEREST: None PREVIOUS MEETING REFERENCES: None AUTHOR: Harry Hawkins Chief Executive Officer ATTACHMENTS: None

PURPOSE OF REPORT: To advise Council of the requirement for a new roof on the Gillingarra public toilets and to get a resolution to proceed with the work.

BACKGROUND: Several years ago it was noticed that the timber supporting the roof of the public toilets at the Gillingarra Hall were being attacked by white ants and was severely damaged. The timber was treated and the damage was restricted and stopped however it needs to be replaced to maintain the integrity of the building.

The toilet building is constructed in brick with a concrete floor and an asbestos roof and is used by people travelling through the district as the new ablution block adjoining the hall is locked except for when functions are taking place in the hall.

COMMENT: There have been requests to replace the roof on the public toilet building in Gillingarra but it has not been done or included in subsequent budgets.

The cost of replacing the roof is not significant and would make the building safe from collapse from white ant eaten timber and also from the dangers of the asbestos roof sheets. The Building Maintenance Officer has indicated that the project could be completed in house without the need for contractors as long as he can get the help of one other staff member.

The building is old but serviceable and allows the Gillingarra Sport and Recreation Club to keep the new ablution block locked other than for functions in the hall while still providing a service to passing motorists and tourists.

The recent review of the Financial Assistance Grants removed the funding for public toilets therefore there is no longer any incentive to provide public toilets other than as a community service. The shire pays for the cleaning and provision of paper etc for all public toilets in Victoria Plains including Gillingarra and this is unlikely to change.

VOTING REQUIREMENTS:

Discussion was held on this item.

Cr Young

Enquired regarding safe removal of Asbestos.

Chief Executive Officer

Advised that given size guidelines, staff are able to conduct the removal without the use of contractors. Councils Building Maintenance Officer is aware of OH&S issues.

Cr Kelly

If asbestos removal is unable to be done by staff, will a contractor be engaged?

Cr Rive

Is it necessary to repair this ablution block when there are two other ablution blocks both useable in Gillingarra. He suggested that the block be demolished and future works and repair should be schedule for the other two ablution blocks.

Cr Smith Who looks after this toilet block?

Chief Executive Officer

Gillingarra Sport and Recreation Committee currently look after the ablution block. These types of projects were funded by Financial Assistance Grants (FAG's) which are no longer available. The Shire has not invested any funds for repairs of the ablution block in the past.

Resolution 214/2013

Moved Cr Kelly seconded Cr Holmes that Council allocate \$5,400 to the renewal of the roof timber and cladding on the public toilet block behind the Gillingarra Hall. The \$5,400 will be taken from unspent funds allocated to other projects that have been completed under budget. Motion Put & Carried 7/1

Resolution 216/2013 Moved Cr Holmes seconded Cr Kelly that the Works and Services Managers report be noted. Motion Put & Carried 8/0

It was suggested that symbols rather than colours be used in the reporting of projects for next reporting period. Councillors congratulated the Works and Services Manager on a very information report.

Cr Young

Raised the issue of roadside drainage at the front of a residential property in Edmonds St Calingiri. Passengers alighting from vehicles are very close to deep

roadside drainage and suggests if possible works should be undertaken as soon as convenient to staff.

Works and Services Manager

I have met with the residents concerned. We can look at works to alleviate the current problem. Funds are not avail this year. If council decides that area should be filled in, then works will be scheduled. Approximate cost for that section of work would be \$2,000.

President

The Works and Services Manager is aware of these works and action can be taken in some form soon.

Cr Kelly

Happy for the works in question to proceed. Council Image is important.

Cr Smith

Questioned the use of road signage on the Glentromie-Yerecoin Road.

Works and Services Manager

Advised that failures are evident in the salt flat area and road design is questioned.

Cr Holmes

Concern is growing with townsite lots becoming overgrown. Some lots are a major fire hazard; also a Lot in Mofflin St Calingiri is of real concern.

Chief Executive Officer

Letters have been sent to land owners. If works to clear are not complete in time frame give then Council can carry out private works and invoice the land owner.

Chief Executive Officer is also aware of the Calingiri lot in question.

Cr Johnson

Sudholz Road is a real concern. Any chance of grading in the near future?

Works and Services Manager

A grader will be back in area 2 in the near future. Just finishing the Bolgart Water Project.

Cr Kelly

Spoke regarding the Yerecoin South East Road and the maintenance hours as per report. Some years ago, Wongan Ballidu reneged on allowing the road to be a major road from Wongan Hills to Yerecoin.

Chief Executive Officer

The Roads 2030 report has just been completed. Victoria Plains requested a Category 1 on Yerecoin South East Road; however Wongan Ballidu noted it as a Category 3. By doing that we lose 25 points in funding applications which makes it almost impossible to obtain funding for that road and associated works.

Cr Holmes

Road issues need to be investigated on Behanging South Road.
