DISCLAIMER:

The recommendations contained in this document are officers' recommendations only and should not be acted upon until Council has resolved to adopt those recommendations.

The resolutions of Council should be confirmed by perusing the minutes of the Council meeting at which these recommendations were considered. Resolutions are not considered final until the minutes of the meeting are confirmed or advised in writing by the CEO or authorised person.

Members of the public should also note that they act at their own risk if they enact any resolution prior to receiving official written notification of Council's decision.

Recording of Meeting

Members of the public are advised that meetings of Council are audio recorded to assist with ensuring an accurate record of the meeting is provided for the formal minutes of the meeting. E - Disclaimer

It is the Presiding Member's responsibility to preserve order in the meeting and this can be more difficult in an eMeeting. Therefore, each Council Member must consistently and respectfully follow the Local Government's Meeting Procedures Local Law, any additional eMeeting guidance provided by the Local Government and support the Presiding Member in their conduct of the eMeeting.

The pace of an eMeeting should be slow and orderly. The following practices will help avoid confusion and support effective eMeetings:

Speak clearly and slowly, as connections may be distorted or delayed;

Always state your name to indicate to the Presiding Member that you wish to speak. Restate your name if the Presiding Member has not heard you at first;

In debate, only speak after the Presiding Member has acknowledged you. Then state your name, so that others know who is speaking;

Follow the Presiding Member's directions and rulings;

If you are unclear about what is happening in an eMeeting, immediately state your name to draw the Presiding Member's attention and enable you to then seek clarification from the Presiding Member;

Avoid looking for opportunities to call Points of Order; instead, politely and respectfully gain the Presiding Member's attention and explain any deviation from your Meeting Procedures, the Local Government Act or any other relevant matter.

PURPOSE

To receive the monthly financial statements for the period ending 31 Jul 2025.

BACKGROUND

Section 6.4 of the Local Government Act 1995 requires a Local Government to prepare financial reports.

The Local Government (Financial Management) Regulations 34 & 35 set out the form and content of the financial reports which have been prepared for the periods as above and are presented to Council for approval.

COMMENT

The financial statements for Jul 25 have been prepared for the first time, as a CouncilFirst Finance system generated report and as a result is slightly different in format to that provided in 2024-25. This format is the same as the template for the Annual Financial Statements with the intent of producing this internally at the EOFY and reducing the need for contractor assistance (RSM).

Further improvements will be made in the coming months including the incorporation of the financial dashboard that council has been provided previously but was essentially paused last FY whilst the system bedded down.

The carried forward deficit of (\$971,477) is the unaudited figure that was utilised as part of the budget development and for Jul 25, the deficit has naturally increased to (\$1,124,702) being the first month of the financial year with limited revenue being received into the shire.

Rates were not raised in Jul 25, however the ex-gratia rates refund to Monochorum (Benedictine Community) has been captured as flagged with council during the Jul 25 briefing session. This should be the last of the cleanup of rating but will have an impact on the budget.

NOTES TO ACCOUNT

The following presents a summary and analysis of the key points in the Jul 25 Financial Statements.

Note 1 Net Current Funding Position:

This reflects the liquidity of the shire, calculated as current assets less current liabilities, aligning with the Statement of Financial Activity (Rate Setting Statement) amounting to (\$1,124,702). This is to be

expected given the closing position as at 2024-25 and will improve once revenue is generated in the coming months.

Note 2 Cash and Financial Assets:

The current total cash position balance is \$828,556 with an Unrestricted Municipal Bank Balance of (\$420,041) and \$1,248,597 in Restricted Cash, the latter comprising:

- \$713,311 in Reserves.
- \$535,285 major grant funding received and guarantined only partially cash backed (see note 11).

The negative amount in the Unrestricted Municipal Bank Balance represents the overdraft currently being utilised to meet short term cashflow requirements.

Note 4 – Debtors:

An overall (net) balance of \$102,025 which comprises:

- (\$17,170) in rate debtors.
- \$80,447 in sundry debtors primarily DFES reimbursements and MAF Grant funding.
- \$1,658 has been referred to the Fine Enforcement Registry (FER) for two separate firebreak infringements with current status of intention to enforce and an approved time to pay arrangement.

In terms of Rate Debtors, this can be further analysed as:

- (\$57,182) of prepaid rates causing the unusual credit balance of (\$17,170)
- \$18,081 ad hoc payment arrangements.
- \$14,228 with Debt Collection.

Note 5 Reserves:

Minor interest for Jul 25 noting the Reserve Term Deposit will mature in Oct 25.

Note 6 - Plant Disposals

No disposals for Jul 25.

Note 7 - Capital Program

The Bolgart Skatepark Refurbishment has been progressed in Jul 25.

Note 9 - Payables

Has reduced considerably from Jun 25 and reflective of the cashflow issues (overdraft) faced.

Contingent Liabilities now included HSP1 funding that has been received for the cohort and will need to be paid out to the relevant shires upon application.

Note 10 - Grants and Subsidies

1st quarter funding from LGGS has been received and invoicing has been raised for MAF funding. MRWA direct grant has been received.

Note 11 - Restricted Funds

Funding for R2R and LRCI has been required to assist with short term cashflow and will be returned once rate funding is generated. HSP1 funding is cash backed.

Note 12 - LRCI Program

The Bolgart Skatepark has progressed with the carried forward works planned to be completed as forecast, weather permitting.

Note 13 – LGGS Program

Minor transactions to report for Jul 25.

Note 14 - Material Variances

Details have been provided with greater granularity on variances noting the ex-gratia rates refund will impact on the budget.

Risk Analysis

Where possible, the Shire of Victoria Plains should be represented at the WALGA AGM each year. It is important that the Shire is part of the industry's key decision making process. However, the industry is generally well represented at the Convention and matters for inclusion in debate can be raised by others by way of example at the AGM. The Shire is also a member of the Zone and AROC.

Consequence	Consequence Rating:	Likelihood Rating:	Risk Rating	Risk Acceptance/ Controls	Mitigation and Outcome
Reputation If the Shire does not submit its voting members, it will not be able to vote on the matters being considered, which may undermine how the Shire is viewed by the industry.	Insignificant (1) Unsubstantiated, low impact, no media involvement Example Gossip, Facebook item seen by limited persons	Unlikely (2) The event could occur at some time (10%) – At least once in 10 years	Low (2)	Supervisor/Team Leader Risk acceptable with adequate controls, managed by routine procedures and subject to annual monitoring	WALGA advises the CEC directly each year regarding the need for Council to register its delegates
