It is the Presiding Member's responsibility to preserve order in the meeting and this can be more difficult in an eMeeting. Therefore, each Council Member must consistently and respectfully follow the Local Government's Meeting Procedures Local Law, any additional eMeeting guidance provided by the Local Government and support the Presiding Member in their conduct of the eMeeting.

The pace of an eMeeting should be slow and orderly. The following practices will help avoid confusion and support effective eMeetings:

Speak clearly and slowly, as connections may be distorted or delayed;

Always state your name to indicate to the Presiding Member that you wish to speak. Restate your name if the Presiding Member has not heard you at first;

In debate, only speak after the Presiding Member has acknowledged you. Then state your name, so that others know who is speaking;

Follow the Presiding Member's directions and rulings;

If you are unclear about what is happening in an eMeeting, immediately state your name to draw the Presiding Member's attention and enable you to then seek clarification from the Presiding Member;

Avoid looking for opportunities to call Points of Order; instead, politely and respectfully gain the Presiding Member's attention and explain any deviation from your Meeting Procedures, the Local Government Act or any other relevant matter.
