Many Localities – One Perfect Lifestyle – A Place to Grow

The Shire of Victoria Plains is a unique community, with a number of distinctive town sites spread over an expansive 256,973 hectares. Traditionally and predominantly a prosperous farming district, the Shire boasts Australia's only Monastic Town, New Norcia, which welcomes approximately 70,000 visitors to the town each year. Even though the Shire has a small population, it is filled with community energy and enthusiasm, making it a special place to live.

Reporting to the Works & Services Manager, we are looking for an experienced **Works Supervisor** to safely and efficiently assist in the delivery of the Shire's annual works programs and projects.

As the Works Supervisor, you will have drive, initiative and a 'can-do' attitude. Ideally, you will also have Local Government supervisory experience, a high-level understanding of road construction and maintenance including plant maintenance, drainage and sewerage line knowledge, together with experience in the management of streetscapes, reserves and public open spaces.

There is an excellent remuneration package on offer, work vehicle with commuter use, increased superannuation options and subsidised housing within the Shire.

To apply for this position, please send a covering letter detailing your experience together with a current CV. For more information about this opportunity, or to request the Position Description, please contact Ms Melissa Hanson, Manager, LO-GO Appointments, on (08) 9380 4505 or email at wa@logoapp.com.au.

The Shire of Victoria Plains offers a community focussed country lifestyle and an enviable work/life balance with the bonus of the Shire's proximity to Perth.

Applications close on at 5:00pm on Monday, 6th May 2019
